Account Opening Policy 2026

Document ID: POL-AO-2026 | Version 5.1 | Effective 01 January 2026 | Owner: Retail Banking Operations

1. Purpose and Scope

This policy governs the opening of savings, current and salary accounts for individual and non individual customers across branch and digital channels.

2. Eligibility

- Savings accounts may be opened by resident individuals aged 18 years and above. Minors aged 10 years and above may operate an account independently subject to limits.
- Current accounts may be opened by proprietorships, partnerships, companies, limited liability partnerships and trusts.
- A declaration of existing credit facilities with other banks is mandatory before opening a current account.

3. Required Documents

- Completed account opening form signed by all account holders.
- Officially Valid Document for identity and address as listed in the KYC Policy 2026.
- PAN or Form 60.
- Two recent passport size photographs.
- For non individual customers: constitution documents, board resolution or partnership authority letter, and beneficial ownership declaration.

4. Minimum Balance Requirements

- Regular savings account: INR 10,000 average monthly balance in metro and urban branches, INR 5,000 in semi urban branches and INR 2,000 in rural branches.
- Salary account: no minimum balance requirement while salary credit continues. The account converts to a regular savings account after 3 consecutive months without salary credit.
- Basic Savings Bank Deposit Account: no minimum balance requirement.

Charges for non maintenance must be proportionate to the shortfall and must be notified to the customer at least one month in advance.

5. Account Activation Timelines

- Accounts opened through video based identification must be activated within 1 working day of successful verification.
- Branch sourced accounts must be activated within 2 working days of receipt of complete documentation.
- Where an account opening request fails verification, the customer must be informed of the specific deficiency within 2 working days and given 15 days to remediate.

6. Dormancy and Closure

An account with no customer induced transaction for 24 months must be classified as inoperative. Reactivation requires fresh KYC verification.

Accounts closed within 12 months of opening attract a closure charge of INR 500. No charge applies to closures after 12 months.

No charge shall be levied for reactivation of an inoperative account.

7. Nomination

Nomination facility must be offered to every account holder at the time of opening. Where the customer declines, the declinature must be recorded in writing.

A change of nomination must be effected within 3 working days of receipt.
