

HORIZON NATIONAL BANK

Digital Banking Policy 2026

Document ID: POL-DB-2026 | Version 1.4 | Effective 01 January 2026 | Owner: Digital Channels Department

1. Purpose and Scope

This policy governs internet banking, mobile banking and unified payments interface services offered by Horizon National Bank.

2. Registration and Authentication

Registration for digital channels requires a fully KYC compliant account and a registered mobile number.

Two factor authentication is mandatory for all financial transactions. Biometric authentication may substitute for the second factor on a registered device.

3. Transaction Limits

- Unified payments interface: INR 1,00,000 per transaction and INR 1,00,000 per day by default.
- Internet banking fund transfer to a registered beneficiary: INR 10,00,000 per day.
- A cooling period of 4 hours applies to newly added beneficiaries, during which a maximum of INR 5,000 may be transferred.

Customers may request lower limits at any time. Requests to increase limits require step-up authentication.

4. Unauthorised Transactions and Liability

- Zero customer liability where the loss is due to a deficiency on the part of the bank, irrespective of when the customer reports it.
- Zero customer liability for third party breaches where the customer reports within 3 working days.
- Limited liability where the customer reports between 4 and 7 working days.
- Liability beyond 7 working days is determined by the Board approved policy.

The bank shall credit the disputed amount within 10 working days of notification, without prejudice to the outcome of the investigation.

5. Service Availability

Digital channels shall target availability of 99.5 percent measured monthly. Planned maintenance shall be notified at least 24 hours in advance.

6. Deactivation

Digital access shall be disabled after 5 consecutive failed authentication attempts and may be restored only after identity verification.

Channels shall be disabled where the account is classified as inoperative under the Account Opening Policy 2026.

7. Customer Awareness

The bank shall not request passwords, one time passwords or card details through telephone, email or message under any circumstances.

Awareness messages must be displayed at login and sent at least quarterly.

End of Digital Banking Policy 2026. This document supersedes all prior versions. Queries to Digital Channels Department.
